

C-9327

C-9427

FEATURES

MATERIAL: Top quality, highly resistant painted steel.

Its padded interior helps to prevent objects from moving.

FINISH: Black.

PRACTICAL: It includes security elements for possible attaching:

C-9327

With an easy-to-attach steel base that fixes the box to the base and locks it in place using a key, preventing it from moving.

C-9427

With a 1 metre steel cable to tie the box to a fixed place, preventing it from coming loose. Combination closing system.
